

Chen Shitong

b. 1985, Singapore

No Way Back Home, 2017

Collagraph and Silkscreen print on
300gsm paper

H 80 x 109 cm

I start my work by tuning into radio news, they are the fuel to a lot of my artwork. By listening to radio, I realize how big this world is, however it also makes me realize how insignificant we are. This print was a reaction towards the current state of the home in a lot of other nation.
