The Puma.sumo is a third level of evolution. A WAKO.Wevo has eventually turned into a Puma, which speaks of its earthly powers and its condition of connector between the sky and the underworld. The Puma is also a sacred animal in Andean mythology and is usually related to strength, which is also an important characteristic of a type of hero, a hero who makes things happen, brings order to chaos through strength and sacrifice (e.g Samson, Achilles, Hercules, and of course, Sumo wrestlers).
